

CHAPTER V

CONCLUSION AND SUGGESTION

A. Conclusion

Based on the findings and discussion presented in CHAPTER IV, the conclusions are drawn as follows:

Related to the values found in the Dead Poets Society expressed by all characters, the values are classified into three kinds as follows:

a. Moral Values

Moral values refer to set principles that guide an individual on how to evaluate right versus wrong and are accepted by the citizen. Moral values relate to human personality. Moral values lead someone to be guilty or innocent of their responsibility. In this Dead Poets Society, the researcher found the moral values such as enthusiasm, honesty, self-confident, brave, cheerful, open-minded and strong belief.

b. Social Values

Social values refer to a value related to social interaction with others and how to act with others. In this study, the researcher found out some social values such as friendliness, solidarity, independent, respect, attention, family, empathy and sympathy.

c. Educational Value

Educational value is a value which relates to the education part. Values which give or transform to the education point. It can be bad or good. Educational values relate to developing other aspects: personality, morals, and ethics, etc. that has relation to education. In this study, the researcher found out some educational values such as creative, religious, discipline, curiosity and appreciate achievement.

B. Suggestion

This research analyzes the moral value was found in the Dead Poets Society movie directed by Peter Weir. The researcher realizes that this research is far from being perfect. Mistakes and weakness still happened in many aspects such as method, analyses, and discussion. Positive suggestion and criticism still the researcher needed to make the next study better. Based on this research, researcher has a recommendation as follows:

1. For students

This movie is a good recommendation for students. Students can absorb the positive values which show in this movie. Enthusiasm, honesty, self-confident, brave, honesty, jealous, sneaky and tradition are the positives values to make examples by students. Dead Poets Society movie set in the academy e.g. boarding school boy.

2. For Teacher

This movie can be a good media for the teacher to teach English listening comprehension. Another hand, teacher can transform the positive values for students. The teacher can transform the values through this movie and make the listening habit while the English learning process. Teacher in this study is aimed to be an inspiration and also to help the teacher in teaching his/her students. Teachers have more motivation to take care, know their students' characters, can be a good figure to their students, always pay attention, never give up teaching their students and the teacher can innovation to teach their students in many ways.

3. For the other researchers

This study can be an inspiration and secondary data to the other researchers who are interests to conduct a study about values that reflected by characters in others movie, so there will be many movies analyzed and many values gotten and applied
