

## **CHAPTER V**

### **COCLUSION AND SUGGESTION**

In this chapter, the researcher present conclusions and suggestions based on the research findings and discussion presented in the previous chapter.

#### **A. Conclusion**

From the result of the research, it can be concluded that the teaching English reading by using Puppet media is effective. Before the treatment is conducted by the researcher, firstly the reasearcher gave the pre-test. The result of pre-test showed that 2 students (8.3%) getting score 7 its mean that students speaking achievement is need improvement. There are 20 students (83.4%) getting score between 12-15, it mean that students speaking is average. In conslusion the students' speaking ability before they are taught using Puppet media was in general because most of them got enough or fair score.

After the researcher conducted the treatment, the researcher gave the post-test. The result of the post-test showed that there are 4 (16.8%) students get score between 11-15, it means he students still avarage. 19 (79%) students are get score between 16-20 it means the students speaking achievement are good and there is 1 (4.2%) students get score 21, it means that the students speaking achievement is excellent.

Based on the result of the research, the students' speaking achievement improves. There is significant different between the students' speaking score before and after being taught by Puppet media. The difference can be seen in average score from pre-test and post-test.

After having discussion of the previous part, the writer points out some conclusion. From the research findings and discussion the result has answered the research question that the use of Puppet media in story telling is effective in improving speaking to the tenth grade of MA DARUL HIKMAH Tulungagung in academic 2017/2018. Then using puppets as media significantly improves and gives very strong effect toward the students' speaking achievement to the tenth grade of MA DARUL HIKMAH.

## **B. Suggestion**

Besides the conclusion, in sub point the researcher also states some suggestions that can be seen as follows:

1. For English teacher, it is suggested that English teacher, especially in Senior High School to apply Puppet media in teaching speaking. In addition, teacher must take teaching and learning process become more interesting, fun, and enjoyable. So the students will not get bored and sleepy. Besides that, the students become more interesting, enjoyable, and confidence to perform in speaking.
2. The research is expected to be useful for the students to increase their confidence in speaking and out their expression without shy. Because puppet is good media in telling story make practice speaking more enjoyable.
3. For further researcher, the result of this research can be used as reference or basic information to do better further investigation

because in this research is still not perfect yet due to the limited time.
