I am pleased to inform you that, after the peer review, your paper "INCURRING ISLAMIC VALUES IN CHARACTER EDUCATION FOR THE SECONDARY SCHOOLS IN INDONESIA" has been ACCEPTED WITH MINOR CORRECTIONS. The paper will be published with International Journal of Innovation, Creativity, and Change ISBN: E-ISSN: 2201-1323. After revision, your article will be in the upcoming regular issue of March 2019. Below find a comment from the reviewers.

Paper required extensive proofreading. There are many grammatical that should be addressed before sending the final version.

The problem statement is not clear as reviewers are unable to see that why you need to conduct this study where there are plenty available on this topic even in Indonesia.

Please remove old references and add some **new** references.

You did not write the methodology and directly stated the results to explain the method of analysis you have used in your study.

Please revise your paper with proofreading in 7 days.

I hope that our collaboration will help to accelerate the global creation and sharing one step further. Please do not hesitate to if you have any further questions.
