Profile

My interest in language, especially English, has led me to study more about it. In Vocational School, I got very precious chance, selected by the school to get special training of English. Afterward, I realized that I have great understanding in English and I started to take it more seriously. I took English Education as my major, joined some Grammar Classes in Pare, and participated in some events and competitions including East Java Varsities English Debate (EJVED) 2008 and 2010 in Malang University, Debate Competition of PIONER 2011 in Watampone – South Sulawesi and English Championship 2009 as coordinator of Grammar Test, and chief of the committee in 2010.
