Statement of Editing:

**Social Conflict in Indonesia: Safeguarding a Nation as a New Approach for Resolving National Disintegration** by Iffatin Nur and Susanto

**To whom it may concern,**

This letter certifies that the above document has been proofread and edited by myself, as a native English speaker and experienced copy editor, for spelling and grammatical correctness, word choice, and phrasing. No modifications have been made regarding the factual content of the paper, nor have the expressed views of the author been modified. With the permission of the author, a tracked changes version of the paper can be supplied to verify the nature of the editing changes.

**About Quill Content:**

Quill Content was established in the UK in 2010 as “Quill Trading” to supply editing and writing services directly to a range of customers. Following a relatively brief spell in the Netherlands starting in March 2017, the business returned to the UK in 2020 and continues to offer the same high-quality services.

Yours faithfully,

May 29, 2020

Jim Newall

Subject: Re: [JSSER] Revised Version Uploaded

To: Iffatin Nur <[ifatinury@gmail.com](mailto:ifatinury@gmail.com)>

I could not see how the following comments are addressed in your revised manuscript:

Authors should revise

1. The abstract structure into purposes, methods, and results allotting 200-300 words length.
2. Add data analysis techniques in the methods section
3. Check the presentations of the Results section with purposes of the study
4. Use Italic consistently to the words/phrases that are not English
