

## **CHAPTER VI**

### **CONCLUSION AND SUGGESTION**

This chapter presented the conclusion and the suggestions. The conclusion was presented based on the findings and discussion in the previous chapter. The suggestions were given in order to help the English speaking programs of students at Darul Hikmah modern Islamic boarding school.

#### **A. CONCLUSION**

From the result of interviews, observations and documentation on previous chapter in findings and discussion, the researcher concludes that an effective learning for speaking are the learning that used various programs which combined with some activities of language skills and integrity evaluations. The programs are giving vocabulary, conversation, daily conversation, speech, drama, making sentence and composition which is combined use some activities from language skills like reading, listening and writing, and speaking who will contribute each other. So, the students will not be bored on the learning process at school. The learning speaking can be more enjoy and fun with the various activities of the speaking programs. Besides, the researcher believes that by enjoy and fun in English learning speaking students can improve their speaking skill and also the other skills.

The programs are divided into two types of program they are main programs and supplementary program. The main programs are the programs which consider into speaking skill programs while supplementary program are the

program which complete and sustain the main program at Darul Hikmah modern Islamic boarding school. The next is the activities in English speaking programs of students at Darul Hikmah modern Islamic boarding school. Those programs and activities were not only in the speaking skill but also completed in the other skills. The last are about the evaluation of students' progress in English speaking program at Darul Hikmah modern Islamic boarding school. From the findings and discussions of the research it is conclude that there are integration of the skills on the evaluations of students' learning programs used at Darul Hikmah modern Islamic boarding school. The evaluations are used for measuring students' progress by every program at Darul Hikmah modern Islamic boarding school.

## **B. SUGGESTION**

Some suggestions were made to follow up the findings which were addressed to the teacher or responsible of English speaking programs, other researcher, and other institution.

1. For teacher or the responsible of the language program at Modern Boarding School

It is needed for conduct the consultation section in the English speaking program of students. It can solve the students' problem or developing the programs. The programs will be more effective.
