Hasil penelitian menunjukkan bahwa SMAN 1 Tulungagung menerapkan budaya religius melalui kegiatan (1) Penguatan Pendidikan Karakter (PPK) yang telah berlangsung selama ini melalui program kajian perempuan, kajian keagamaan, khataman Al Quran, maupun yasinan. (2) Doa bersama sebelum pelajaran dimulai, infaq atau tali asih, kantin kejujuran. (3) Peringatan Hari Besar

Islam (PHBI) yang sudah terlaksana, kegiatan tersebut merupakan wujud dari visi dan misi SMAN 1 Tulungagung. Kegiatan ini didukung oleh seluruh warga sekolah, melalui kegiatan PPK peserta didik menjadi lebih tawadhu' serta dibimbing langsung oleh Pembina (Guru Pendidikan Agama Islam) selanjutnya diterapkan absensi untuk memudahkan mengetahui jumlah partisipasi peserta didik, bagi yang tidak mengikuti akan ada sanksi berupa menulis surat pendek dan ayat kursi, ataupun mengaji sendiri.

## **ABSTRACT**

Thesis with the title "Implementation of Religious Culture in Shaping the Character of Students in SMA Negeri 1 Tulungagung" this study was written by Muhammad Reza Pahlevi, NIM.1721143285, supervisor Drs. Nurul Hidayat, M. Ag.

**Keywords:** Religious Culture, Character, Students

This research is based on the concern that there is a start to waning manners and religious values. The school is a place of religious culture internalization in students, so that students have a strong fortress to form a noble character of morality.

The focus of research in this study are (1) How is the religious culture applied in shaping the character of students of SMAN 1 Tulungagung? (2) What is the impact of the implementation of religious culture in shaping the character of students at SMAN 1 Tulungagung? (3) How to evaluate the implementation of religious culture in shaping the character of students in SMAN 1 Tulungagung ? The purpose of this study, (1) To describe the value of religious culture through strengthening the character education that is applied in shaping the character of SMAN 1 Tulungagung students. (2) To describe the impact of the implementation of religious culture through strengthening education in shaping the character of students at SMAN 1 Tulungagung. (3) To describe the evaluation of the implementation of religious culture through strengthening education in shaping the character of students at SMAN 1 Tulungagung.

The research method uses descriptive qualitative. Data analysis techniques using primary data obtained from observations, interviews, and documentation. In collecting data, researchers used the methods of participant observation, in-depth interviews, and documentation. Data analysis techniques used are data reduction, data presentation and the final stage of drawing conclusions or verification. This study also checks the validity of the data by extending the observation, increasing persistence and triangulation. The research phase uses the pre-field stage by taking care of a research permit, the stage of field work observing and interviewing, the stage of data analysis and the completion stage by compiling into a thesis.

The results showed that SMAN 1 Tulungagung implemented a religious culture through the activities of (1) Strengthening of Character Education (PPK) that had taken place so far through the women's study program, religious studies, the Qur'anic content, and yasinan. (2) Prayer together before the lesson begins, infaq or compassion, honesty canteen. (3) Commemoration of Islamic Holidays

(PHBI) that have been carried out, the activity is a manifestation of the vision and mission of SMAN 1 Tulungagung. This activity is supported by all school members, through (PPK) activities students become more tawadhu 'and guided directly by the Trustees (Islamic Religious Education Teachers) then attendance is applied to make it easier to find out the number of student participation, for those who do not participate there will be sanctions in the form of writing a short letter and chair verses, or recite the Qur'an yourself.
