

CHAPTER VI

CONCLUSION AND SUGGESTION

In this chapter, the researcher concludes the result of analysis of spatial and temporal deixis in utterances that are produced by the main character (Elsa and Anna). The conclusion is the answer of the research question by seeing the result of the discussion. The researcher also gives the suggestion to the next researcher and the reader on the result of analysis that are presented in the conclusion.

6.1. CONCLUSION

Depend on the research and discussion, the conclusions of this study are show below;

1. Some types of spatial deixis used in the Frozen movie, are: here, there, this, that and back. “That” used 1 time, “This” used 1 time, “Here” used 13 times, “There” used 2 times, and “Back” used 2 times.
2. Some types of temporal deixis used in the Frozen movie, are: now and tonight .“Now” used 5 times and “tonight” used 1 time.
3. Spatial and temporal deixis became an important part in utterances. Without understanding spatial and temporal deixis, listeners or readers will confuse in interpreting some informations from the utterances.

6.2. SUGGESTION

Based on this findings of study, the researcher has hopes about this study and gives suggestion for the teacher and the students. The researcher hopes that this study can give contribution in teaching pragmatics, especially deixis. The contribution that the researcher means is idea that teaching deixis can use movie script to make the students enthusiastic in teaching learning process of deixis, especially movie script because the movie that is popular or ever known by people.

Moreover, for the future researchers, the result of this study can be used as a reference to conduct a further study about deixis in different text or movie script. Finally, for the readers who are interested in English, the result of this study are

expected to be useful to increase their knowledge about spatial deixis (place deixis) and temporal deixis (time deixis) area.
