

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter presents a conclusion and suggestion based on the research findings and discussion presented in the previous chapter.

A. Conclusion

Based on the results of the research described in Chapter IV, it can be concluded that there was a significant difference score of vocabulary mastery of the students' taught by using song from JOOX Music Application and students' taught by using conventional method at the twelfth grade of SMKN 3 Boyolangu Tulungagung academic year 2020/2021. JOOX Music Application can be alternative media for vocabulary learning, because it makes students enjoy listening to songs and understanding the lyrics in. The media is very useful and suitable for the students to memorize lots of new vocabulary. JOOX Music Application is more effective, interesting and innovative than conventional method in teaching learning vocabulary mastery. Thus, the effectiveness of songs from JOOX Music Application is shown in the following description:

1. Based on the statistical analysis using T-test with SPSS 16.0, the significant value (sig-2 tailed) was 0.000 and it was smaller than 0.05 ($0.00 < 0.05$) which means that the null hypothesis was rejected and alternative hypothesis was accepted.

B. Suggestion

The researcher give some suggestion as follows:

1. For teachers

It was recommended for English teachers to use JOOX Music Application as an alternative when teaching English vocabulary, because sometimes students are confused about understanding and feel bored with monotonous method of learning vocabulary. JOOX Music Application can be used as an alternative media to teach vocabulary mastery because it attracts and makes it easier for students to learn and memorize new vocabularies.

2. For other researchers

In this study, the researcher used songs from JOOX Music Application to examine students' vocabulary mastery, although this study was not perfect yet. Therefore, the researcher suggest further researchers to develop research using JOOX Music Application. For the next researchers can used JOOX Music Application to teach other skills or subjects.
