

CHAPTER VI

CONCLUSION AND SUGGESTION

This chapter presents the conclusion and suggestion dealing with the finding and discussion as presented in the previous chapter of the research.

A. CONCLUSION

Based on the result of the study it based on researcher can be concludes that: (a) The extracurricular activities at SMP Islam Al Azhaar Tulungagung improve students' speaking skill; (b) The activities of English extracurricular activities are contributive to the students' speaking ability improvement.

Those activities are drilling vocabulary program, English Weekly Meeting (AIS performance), English Camp, and English club .The students were drilled a lot of speaking practices. It helped the students to get successful in the speaking practices.

There were some aspects that the students got from the activities of the extracurricular activities. Those are the students building up their self-confidence, make them accustomed to organizing their own ideas, increasing of fluency, increasing of vocabularies mastery, increasing of pronunciation ability, increasing of their grammar masteryand also increasing their skill to comprehend their listener.

B. Suggestions

Based on the findings here the researcher would like to offer the following suggestions:

1. For The Teacher

In English teaching especially in junior High School level, the teacher should increase their talk it is amount of direct influence or indirect influence, which it is includes acceptance of learners' feeling, praises and encouragement, and acceptance or uses of the learners' ideas. This is important because such talk has strong motivational impact on the learners. They need to be encouraged, paid attention to, and tolerated, but also criticized and reminded. In that way, their learning will be more effective. The use of mother tongue as medium of instruction should be gradually reduced.

2. For The Other Researcher

For the other researcher the suggestion for other researchers who want conduct the similar research related to the contribution of English extracurricular activity toward to the improvement of the students' speaking ability, the result obtained in this study then can be used as a reference. It is use to make the future research better.
