Penelitian ini dilatarbelakangi oleh pentingnya pendidikan bagi anak usia produktif khususnya anak yatim dhuafa. Terkendalanya perekonomian orang tua tunggal mereka membuat anak yatim dhuafa terpaksa untuk putus sekolah. Upaya peningkatan kesejahteraan anak yatim dhuafa masih terdapat kekurangan terkait dengan pengelolaan dana zakat, infaq dan sedekah yang dilakukan oleh lembaga.

Rumusan masalah dalam penelitian ini yaitu : 1) bagaimana pengelolaan dana zakat, infak, dan sedekah program beasiswa yatim prestasi di Lembaga Yatim Mandiri Jombang ? ; 2) bagaimana efektivitas pengelolaan dana zakat, infak, dan sedekah program beasiswa yatim prestasi dalam meningkatkan motivasi pendidikan di Lembaga Yatim Mandiri Jombang ?

Penelitian ini merupakan penelitian lapangan dengan pendekatan kualitatif, dimana peneliti akan mendeskripsikan tentang Efektivitas Pengelolaan Dana Zakat, Infak, Dan Sedekah Program Beasiswa Yatim Prestasi Dalam Meningkatkan Motivasi Pendidikan Di Lembaga Yatim Mandiri Jombang. Data yang diperoleh dari hasil observasi, wawancara langsung dari informan dan dokumentasi. Data yang terkumpul dianalisis melalui tiga tahap, yaitu reduksi data, pemaparan data, dan penarikan kesimpulan.

Hasil dari penelitian ini adalah pengelolaan dana zakat, infaq dan sedekah di Lembaga Yatim Mandiri Kabupaten Jombang pada programnya Beasiswa Yatim Prestasi terbilang sudah baik karena telah menggunakan dana zakat, infaq dan sedekah sebagaimana mestinya yaitu menggunakannya atas dasar kesejahteraan pendidikan anak yatim dhuafa dan pengelolaan dananya tepat guna dan tepat sasaran. Pengelolaan dana zakat, infaq dan sedekah terbilang cukup efektif dalam meningkatkan kesejahteraan pendidikan anak yatim dhuafa melalui program Beasiswa Yatim Prestasi Lembaga Yatim Mandiri Kabupaten jombang, diantaranya terlihat dari kepuasan orang tua anak yatim dhuafa yang merasa perekonomiannya sangat terbantu dengan adanya bantuan ini. Kedua dilihat dari semangat belajar anak yatim dhuafa dalam menyelesaikan pendidikannya. Yang ketiga dilihat dari tambahan sistem pembelajaran yang dilakukan disetiap sanggar terdekat, sehingga anak yatim dhuafa merasa terbantu jika ada kesulitan mengenai pembelajaran disekolah mereka.

ABSTRACT

The thesis entitled "Effectiveness of Management of Zakat, Infaq and Alms Funds in the Orphan Scholarship Program Achievement in Increasing Educational Motivation at the Yatim Mandiri Institute, Jombang Regency" was written by Durotul Ilmiyah, NIM. 17103163007, Departement of Zakat and Wakaf Management, Faculty of Economic and Islamic Business, IAIN Tulungagung, with supervisor Dr. H. Ahmad Muhtadi Anshor, M.Ag.

This research is motivated by the importance of education for children of productive age, especially orphans and poor people. The economic constraints of their single parents have forced orphans to drop out of school. Efforts to improve the welfare of dhuafa orphans are still lacking related to the management of zakat, infaq and alms funds carried out by institutions.

The formulation of the problems in this study are: 1) how is the management of zakat, infaq, and alms funds for the orphan scholarship program at the Jombang Orphanage Independent Institution? ; 2) how is the effectiveness of the management of zakat, infaq, and alms funds for the orphan scholarship program in increasing educational motivation at the Jombang Orphanage Independent Institution?

This research is a field research with a qualitative approach, where the researcher will describe the effectiveness of the management of Zakat, infaq, and alms funds for the orphaned scholarship program for achievement in increasing educational motivation at the Jombang orphanage institution. Data obtained from observations, direct interviews from informants and documentation. The collected data were analyzed through three stages, namely data reduction, data exposure, and drawing conclusions.

The result of this research is that the management of zakat, infaq and alms funds at the Yatim Mandiri Institute of Jombang Regency in the Yatim Achievement Scholarship program is considered good because it has used zakat, infaq and alms funds appropriately, namely using it on the basis of the educational welfare of orphans and the management of the funds properly. effective and right on target. The management of zakat, infaq and alms funds is quite effective in improving the educational welfare of orphaned orphans through the Jombang Orphanage Achievement Scholarship program, which can be seen from the satisfaction of parents of orphaned children who feel that their economy is greatly helped by this assistance. The second is seen from the enthusiasm for learning of orphaned orphans in completing their education. The third is seen from the additional learning system carried out in each of the closest studios, so that orphaned orphans feel helped if there are difficulties regarding learning in their schools.
