5.2. Suggestion

Considering the result of this study, the researcher would like to give suggestion, they are follows:

1. English teacher

The teacher suggested to use Johnny Grammar Word Challenge Application to teach their students about grammar especially in Irregular verb. The teacher can use this medium to enhance the students' grammar achievement. The students will enjoy learning about Grammar by using this application because the learning process will be different before. The students can do many exercises about Grammar in this application about 1 minute and they can repeat it. The exercises in every game are different although they repeat in several times. After they do the exercises, there is a score. Not only that, but also if they have been wrong to answer, in this application will show the true answer of their wrong answer. So, the students will know their error and they can correct their mistake. Johnny Grammar Word Challenge is flexible, the students can play this game everywhere they want

2. Future Researcher

The future researcher can use this research as reference to support some sources. The researcher suggests to the next other researcher to analyze

deeply about this the effectiveness of Johnny Grammar Word Challenge in
