

ABSTRAK

Skripsi dengan judul “Upaya Lembaga Amil Zakat Nasional Yatim Mandiri Cabang Tulungagung Dalam Meningkatkan Kualitas Anak Yatim dan Dhuafa Melalui Program Pendidikan Sanggar Genius (Studi Lembaga Amil Zakat Nasional Yatim Mandiri Cabang Tulungagung)” ini ditulis oleh Lailatul Nurrohmah, NIM. 12404173010, pembimbing Bapak Ahmad Supriyadi, M.Pd.I.

Upaya yang dilakukan untuk meningkatkan kualitas anak yatim dan dhuafa melalui program pendidikan sanggar genius merupakan cara atau bentuk yang dilakukan agar dapat memenuhi kebutuhan berupa bimbingan belajar gratis yang berkualitas serta sistem belajarnya berfokus pada mata pelajaran matematika dan akhlak agar kualitas pendidikan anak yatim dan dhuafa meningkat.

Dari latar belakang tersebut, dilakukan penelitian guna mengkaji rumusan masalah, diantaranya adalah: 1) Bagaimana upaya Lembaga Amil Zakat Nasional Yatim Mandiri Cabang Tulungagung dalam meningkatkan kualitas anak yatim dan dhuafa melalui program pendidikan sanggar genius, 2) Apa saja kendala dan bagaimana solusi yang dilakukan Lembaga Amil Zakat Nasional Yatim Mandiri Cabang Tulungagung dalam meningkatkan kualitas anak yatim dan dhuafa melalui program pendidikan sanggar genius. Tujuan dari penelitian ini adalah 1) Untuk mengetahui upaya Lembaga Amil Zakat Nasional Yatim Mandiri Cabang Tulungagung dalam meningkatkan kualitas anak yatim dan dhuafa melalui program pendidikan sanggar genius, 2) Untuk mengetahui apa saja kendala dan solusi yang dilakukan Lembaga Amil Zakat Nasional Yatim Mandiri Cabang Tulungagung dalam meningkatkan kualitas anak yatim dan dhuafa melalui program pendidikan sanggar genius.

Penelitian ini merupakan penelitian lapangan dengan menggunakan pendekatan kualitatif, yang mana data-data diperoleh melalui observasi, wawancara, dan juga dokumentasi. Penelitian ini dilakukan di LAZNAS Yatim Mandiri Cabang Tulungagung.

Hasil penelitian ini menunjukkan bahwa, yang *pertama*: upaya yang dilakukan agar dapat meningkatkan kualitas pendidikan anak yatim dan dhuafa di sanggar genius yaitu adanya pendidik, memberikan motivasi, memberikan dorongan agar bisa mandiri dalam mengerjakan soal, diberikan pelatihan prakarya, diberikan pendampingan belajar secara terkonsep, selanjutnya melakukan evaluasi. Yang *kedua*: kendala yang dihadapi dalam peningkatan kualitas pendidikan anak yatim dan dhuafa diantaranya kurang kerjasama antara pihak lembaga dengan lingkungan anak, banyaknya program sejenis dengan LAZ ataupun BAZ sehingga program tersebut bisa bersaing, kendala pendanaan kurangnya semangat untuk belajar, dan kurangnya dorongan dari keluarga untuk mengikuti proses bimbingan belajar di sanggar genius.

Kata kunci: kualitas, anak yatim dan dhuafa, program pendidikan sanggar genius

ABSTRACT

This thesis with the title “The Efforts of the of the National Amil Zakat Institute for Yatim Mandiri Branch of Tulungagung to Improve The Quality of Orphans and Poor People Through the Genius Studio Education Program” (Study of the Tulungagung Branch of the National Amil Zakat Institute for Yatim Mandiri Branch of Tulungagung)" was written by Lailatul Nurrohmah, NIM. 12404173010, mentor Mr. Ahmad Supriyadi, M.Pd.I.

The efforts made to improve the quality of orphans and poor people through the genius studio education program are ways or forms that are carried out in order to meet the needs in the form of quality free tutoring and the learning system focuses on mathematics and morals so that the quality of education for orphans and dhuafa increases.

From this background, research was carried out to examine the formulation of problems, including: 1) How the efforts of the of the National Amil Zakat Institute for Yatim Mandiri Branch of Tulungagung to improve the quality of orphans and poor people through the genius studio education program, 2) What are the obstacles and how the solutions are carried out by the Yatim Mandiri National Amil Zakat Institute, Tulungagung Branch in improving the quality of orphans and poor people through the genius studio education program. The objectives of this study are 1) To determine the efforts of the of the National Amil Zakat Institute for Yatim Mandiri Branch of Tulungagung to improve the quality of orphans and poor people through the genius studio education program, 2) To find out what are the obstacles and solutions carried out by the Tulungagung Branch of the National Yatim Mandiri Amil Zakat Institute in improving the quality of orphans and poor people through the genius studio education program.

This research is a field research using a qualitative approach, in which data is obtained through observation, interviews, and also documentation. This research was conducted at LAZNAS Yatim Mandiri Tulungagung Branch.

The results of this study indicate that, firstly: efforts made in order to improve the quality of education for orphans and poor people in the genius studio, namely the presence of educators, providing motivation, encouraging them to be independent in working on questions, given handcraft training, given conceptual learning assistance, then conduct an evaluation. Second: the obstacles faced in improving the quality of education for orphans and poor people include lack of cooperation between the institution and the children's environment, the number of similar programs with LAZ or BAZ so that these programs can compete, funding constraints, lack of enthusiasm for learning, and lack of encouragement from families to take part in the tutoring process at the genius studio.

Keywords: quality, orphans and poor people, genius studio education program
