

CHAPTER VI

CONCLUSION AND SUGGESTION

This chapter presents the conclusion and suggestion dealing with the finding and discussion as presented in the previous chapter of the research

A. Conclusion

Concerning with the result of the finding and discussion of the study, it can be concluded that the students' response in learning functional grammar by using WhatsApp group showed interest in learning, confidence in learning, enthusiasm in learning, motivation in learning and responsible in learning.

The students' interest in learning functional grammar by using WhatsApp group because they interested the video that made by lecturer. It was very helpful for students in understanding the material as it replaced offline learning which is material explanantions from the lecturer can be easily accepted. And the use features of WhatsApp was complete and easy for discussion.

The students' confidence in learning functional grammar by using WhatsApp group because they can deliver an opinion, present the material, and answer the quizzes that given by lecturer bravely. This activities is supported with good mastery of students in material.

The students' enthusiasm is influenced by lecturer online class. The supporter lecturer was able to handle students to keep communication in class discussion through WhatsApp.

The students' motivation in online learning functional grammar is students created a study club via zoom and learned their own because they wanted to get additional point from quizzes that given by lecturer.

The students' responsibility in online learning functional grammar by using WhatsApp group is the students complete the assignment that given by lecturer on time.

Although, it still found some passive students during online learning process because it hasn't mature planning and implementation and not yet mentally prepared in online learning. It can be concluded that the response that given by students tended to be positive in learning functional grammar online as well as the WhatsApp and Zoom application used.

B. Suggestion

Based on the result of the research finding, the researcher would like to give some suggestions:

1. For the lecturers

The suggestion for the lecturer as possible as active, creative, supportive and could choose suitable online

media for learning so that students can respond the material well as face to face classes in general.

2. For the other researchers

The suggestion for the future researcher who wants to conduct the study related to the students' response in learning functional grammar through WhatsApp, the result of this research can be used as additional references, it is able to make the future research better.
