

## **CHAPTER VI**

### **CONCLUSION AND SUGGESTION**

#### **A. Conclusion**

After analyzing the Coach Carter Movie, the researcher has obtained several types of educational values. The value of education is divided into two, namely Value of Being and Value of Giving. Value of being consists of honesty, brave, peace, confidence, and potential, self-discipline and moderation, purity. While the Value of giving consists of loyalty, respect, love and affection, not selfishness, kind and friendly, fair and humanist.

The value can present in educational value depend on people themselves. The researcher found 21 data. The order of educational values that often appear in this Coach Carter movie is self-discipline and moderation, six times. Then honesty appeared three times. Meanwhile, brave, confident and potential, fair and humanist appeared twice. Purity, loyalty, respect, love, and affection, not selfishness, kind and friendly, fair and humanist appear once in the movie.

#### **B. Suggestion**

Based on the results of the study, the researcher would like to give some suggestions as follows.

### 1. Reader

The researcher hopes that the researcher can offer assistance the reader in finding the required answer. In addition, anywhere and anytime in terms of increasing knowledge and learning languages. Especially in this modern era, we can learn languages through media, one of which is movies. In the movie, we can learn a new language and also improve the experience, and can take the lessons that are in the movie.

### 2. The next researcher

Researchers hope this research can be helpful for further researchers who want to research the value of education in movies and can use it as a reference. Future researchers should research other media.

### 3. Teacher

From the results of this study, the researcher advised the English teacher that the movie can be used as an exciting learning medium because it uses audiovisual. In addition, it can help students improve their vocabulary after watching a movie.
