

CHAPTER VI

CONCLUSION AND SUGGESTION

This chapter present conclusion and suggestion concerning with the results of the study. Based on the findings and discussion as present in the prevoius chapter the researcher gets conclusion as follow.

A. Conclusion

Based on the result of the study and discussion in the previous chapter, the reseacher would like to state some conclusion as follow:

First, according to the result of observation and interview, the student are very interested and willing to joined English study club, All most of the student are intend to improve speaking skill in English Study Club. Through the activity such as discussion, games, and master of ceremony speech all this program of English study can make student funny and happy in practicing English speaking without nevousse.

Second, in practice English Speaking skill English study club have a good implimented the program for improving speaking skill. in each meeting they have interesting program and they will swiching the program in each meeting held. English

Study Club have a rules while joinng English Study Club that can make student in dicipline for learning speaking. All of students being participents and satisfieyng to learning and improves their speaking skill.

Third, The activity of English study club is effective actively speaking skill, it help student in improving speaking skill. All most of the subject responses toward English study club this program can make them more self-confidence speaking without afraid mistake, student get new vocabulary, knowlegde, information and others, student have motivate to improving speaking skill, this English study club program refer to the emotional, attitude, motivation sand values of the learners when they learn new language, it's enable learner to control their emotional when learning language.

The conclusion, related to be better and improve English speaking, Thai student used English study club for improving their speaking skill. English study club it help their skill and effectively actively in English speaking skill, All of these Activity Thai students practiced through discussion, games, and speech of English study Club.

B. Suggestion

Based on the result of the research finding the researcher would like to give some suggestion for following people:

1. English student

For the student they need to be more exploring their ability in learning speaking and the students get better studying supported by learning speaking skill in English study club.

2. Another researcher

The researcher who want to conducted similar research about the learning speaking skill through English Study Club. The new researchers need to see how the topic suggestioned from students' point of view since this research has been studied from the tutor's point of view. Student's weakness speaking skill and get less attention in the study conducted by the researcher, in addition, the future researcher may try to find out what is weakness their speaking..
