Abstrak ..................................................................................... xvi

BAB I : PENDAHULUAN

A. Latar Belakang ........................................................................ 1
B. Rumusan Masalah ............................................................... 4
C. Tujuan Penelitian ............................................................... 4
D. Batasan Masalah ................................................................. 4
E. Manfaat Penelitian ............................................................. 5
F. Pengesahan Istilah .............................................................. 6
BAB II : KAJIAN PUSTAKA

A. Strategi Bertahan dimasa Pandemi Covid-19 ............................................. 9
B. Konsep Pendapatan ....................................................................................... 15
C. Pengertian Pandemi Covid-19 .................................................................. 24
D. Dampak Pandemi Covid-19 ....................................................................... 25
E. Konsep Kegiatan Bisnis Menurut Syariah .................................................. 27
F. Nilai-Nilai Ekonomi Isam .......................................................................... 31
G. Kajian Penelitian Terdahulu .................................................................... 43
H. Kerangka Konseptual .................................................................................. 48

BAB III : METODE PENELITIAN

A. Pendekatan dan Jenis Penelitian ................................................................. 51
B. Lokasi Penelitian ......................................................................................... 52
C. Kehadiran Penelitian ................................................................................... 53
D. Data dan Sumber Data ............................................................................... 53
E. Teknik Pengumpulan Data ......................................................................... 54
F. Teknik Analisis Data .................................................................................... 56
G. Pengecekan Keabsahan Temuan ................................................................. 58
H. Tahap-tahap Penelitian ............................................................................... 59
BAB IV : HASIL PENELITIAN

A. Paparan Data Hasil Penelitian.................................................................61
   1. Profil Kabupaten Tulungagung.............................................................61
   2. Gambaran Umum Sungai Ngrowo .......................................................63
   3. Gambaran Umum Kelurahan Panggungrejo, Kelurahan Kutoanyar, dan Desa Gedangsewu .................................................................65
   4. Tulungagung Sebagai Kota Cethe .......................................................69

B. Hasil Temuan.............................................................................................70

C. Analisis Data.............................................................................................101

BAB V : PEMBAHASAN

B. Pengaruh Pandemi Covid-19 Terhadap Pendapatan Warung Kopi Di Tulungagung Khususnya Di Daerah Sungai Ngrowo ......................112

C. Efektifitas Strategi Yang Di Lakukan Menurut Pandangan Ekonomi Islam .................................................................115

BAB VI : PENUTUP

A. Kesimpulan .............................................................................................119
B. Saran ........................................................................................................123
