

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter presented the conclusion and suggestions of this research. The conclusion were formulated from research questions, while suggestions provided some ideas addressed to English teachers and further researcher related to the teacher"s acts in performing teaching and learning process.

A. Conclusion

Based on the findings of the research, the researcher would make conclusion by showing the result of the observation checklist and interview towards the students.

1. The kinds of media The Use of Google Classroom Application in Teaching English for 10th Graders at the SMAN 01 Tulungagung that the teacher used when teaching English were whiteboard, English book, dictionary, laptop, LCD projector, and speaker.
2. According to the students" interview, most of the students gave positive perception toward the media used by English teacher in teaching and learning process, they were being happy, being more active, being more excited/spirit in learning English, they were easier to understand the materials, they can repair their pronunciation, vocabulary, find new ideas, express their opinion and they can practice it in daily life. Whereas there were also some students gave negative perception toward the media used by English teacher in teaching and learning process that

they cannot be enthusiastic/spirit to learn English, pronounce the words correctly, find new ideas and express their opinion because they were lazy, being wary and afraid of being wrong in learning English.

B. Suggestion

From the findings presented earlier in chapter four, there are some suggestions that can be taken as a consideration for English teacher and the students.

1. For the English teacher

It is suggested the English teacher must be creative to choose the instructional media that appropriate with the materials that are taught. Not only one or two media but the teacher is expected to be able in using various media in order to interest the students toward the material and help students understand the materials easily. In addition, the teacher also must pay attention to the students who don't focus on teaching and learning process. The teacher also must play again the media to make students more understand and catch the meaning of the media. The teacher is expected to explore another creative media in teaching and learning process to create comfortable classroom for students with different background.

2. For the students

In English lesson, it is suggested that the students should make the best use of the learning process in the classroom and give positive contribution, so they get effective learning. They also need

to be aware of their own needs and find additional materials from any sources. To be master English well students should attempt to get more learn and study hard don't have to be afraid of making mistakes. On the other hand, the students also need to pay attention to their teacher, so they can be easy to understand the materials.
