

## CHAPTER VI

### CONCLUSION AND SUGGESTIONS

This chapter conveys conclusions and suggestions. The conclusion is drawn based on the findings related to the objectives of the research. Meanwhile, the suggestions bring the ideas or the opinion toward the other parties related to this research.

#### A. Conclusion

After analyzing and getting the result, the researcher found several conflicts that occur in Mulan's character in the movie. The researcher conclude that Mulan's characterization are based on physical appearance, social status, social relationship, personality of the main character. The researcher has answered the research problem in this study. Mulan as the main female protagonist has a eight conflicts that was found in Mulan movie. Mulan emits chi when she catches a chicken, Mulan was matched, Mulan replaces her father's military service, Mulan is lost and hungry, Mulan avoids bathing with men, Mulan saves the desperate troops, Mulan attacks the invading enemy forces, Mulan saves the emperor. In this case, Mulan's is a legendary folk heroine. She took her aged father's place in the conspiracy for the army by disguising herself as a man. Mulan's conflicts in the movie occurs when the character against the tradition and struggles with other character.

The researcher take the conclusion that Mulan's characterization development are based on indirect characterization. Each conflict has been resolve by Mulan herself with her characterization. The most dominat

characteristics of Mulan's in the movie, they are Mulan is obedient child, Mulan steadfastly protect her family, Mulan is willing to sacrifice, Mulan is sincere, Mulan is take risk, Honest and responsible, No grudge, Mulan is brave and don't give up. this movie, the development of character or characterization was develop according the main or initial character that was very love her family.

## **B. Suggestions**

Based on the result that has been described by the researcher. The researcher would like to give some suggestions to the following:

### 1. For The students

The result of this study can help the students to get knowledge about literature. This study can help the students to know how the characters and characterization in movie, also about the conflict in The Mulan Movie. The researcher hopes the students can distinguish how the characters resolves the conflict in her life and show characters and characterization in the movie thus the students can imitate good characteristics in real life then the students become good and struggle person. Besides that, it can also improve in English skills especially in speaking, reading, listening and writing.

### 2. For the teachers

This study can used as motivation thus the students English skills can develop, about learning literature and to enrich their knowledge.

Especially in movie script as a part of literary work. This research can be used to improve their English skill.

### 3. For The Next Researchers

This research can be used as a reference in studying literature as a basic knowledge and help their research about character and characterization in movies. For further researchers is also expected to be able to conduct research on character and characterization in different media.
