

CHAPTER V

CONCLUSION AND SUGGESTION

Chapter fifth presents conclusion and provides the suggestion concerning on analyzing the moral value in the Rupert Sanders Movie “Snow White and The Huntsman”.

A. Conclusion

This thesis entitled "An Analysis of Moral Value in Rupert Sanders Movie (Snow White and The Huntsman)". In here, the researcher analyzed the moral value in this movie and the dominant moral value which found also how moral value conveyed in this movie. The research findings indicate that moral value which reflected in Rupert Sanders Movie "Snow White and The Huntsman" consist of nine moral value. They are: kindness and respect, independence, self-reliance (confident) & potencial, hard work, sensitivity & unselfishness, bravery/courage, honesty, love and affection, appreciating achievement. In this movie kindness and respect was shown by Snow White, The Huntsman, Anna (one of the female villangers),dwarves, also William. They're all people who are so kind and caring for Princess. Second is independence. The first independence shown by The King and Snow White after the death of Snow's mother. Secondly, Snow White because the death of one the dwarf troops named Gus, because he was hit by an arrow from Finn's army. And the last, The Huntsman. Because left for the second time by loved ones. The first was his wife and the second was Snow White.

Third self-reliance (confident) and potencial. Self-reliance and potencial shown by King Magnus army, Snow White, and The Huntsman. They can know the situation and he prevent the situation worse. Fourth is hard work that shown by Queen Ravenna. Always looking for a way to be able to get something to want by means of very bad things. Fifth sensitivity & unselfishness shown by Queen Ravenna. Who always interfere with people's lives and will never be satisfied with his own life. Sixth is bravery/courage shown by Queen Ravenna and Finn. Seventh is honesty shown by Snow White and William. Eight is love and affection shown by Snow White and Guert. Ninth is appreciating achievement shown by Pastor. After taking the oath blessed Snow White became the real queen. Based on the findings was explained before in this study, the researcher conclude that the dominant moral value found in Rupert Sanders Movie “Snow White and The Huntsman” is kindness and respect. Whereas in this study the researcher found ten data refers to kindness and respect.

B. Suggestion

In the end of this study, the researcher would like to give some suggestions as follows:

1. Suggestion for the readers, it is hoped that this study can enrich their knowledge about moral value. It also expected that after read this study, the readers would like to understand that moral value not only occurs in a literature work but it can appear in a movie.
2. Suggestion for further researcher, it is hoped that next researcher can conduct further analysis on the future. It will enrich the future

research field of study. It hoped in future research can expand other analyze context, perhaps the slang words used in this movie.
