## BAB I PENDAHULUAN ................................................................. 24

- A. Latar belakang masalah .......................................................... 24
- B. Identifikasi masalah ............................................................... 33
- C. Rumusan masalah ...................................................................... 34
- D. Tujuan penelitian .................................................................... 35
E. Hipotesis.................................................................................................................. 35
E. Kegunaan penelitian ................................................................................................. 36
G. Penegasan Istilah ...................................................................................................... 38

BAB II LANDASAN TEORI ................................................................................. 44
A. Deskripsi Teori.......................................................................................................... 44
B. Penelitian Terdahulu ................................................................................................. 56
C. Kerangka Konseptual ............................................................................................... 71

BAB III METODE PENELITIAN ................................................................. 75
A. Rancangan Penelitian ............................................................................................... 75
B. Variabel Penelitian .................................................................................................... 76
C. Populasi, Teknik Sampel dan Sampel Penelitian ...................................................... 76
D. Instrumen Penelitian ................................................................................................ 78
E. Sumber Data dan Teknik Pengumpulan Data .......................................................... 79
F. Analisis Data ............................................................................................................. 81

BAB IV HASIL PENELITIAN DAN PEMBAHASAN .............................. 86
A. Deskripsi data............................................................................................................. 86
B. Hasil Analisis Data ................................................................................................... 95

BAB V PEMBAHASAN ..................................................................................... 114
1. Pengaruh Harga Emas terhadap Indeks Saham syari’ah Indonesia ................... 114
2. Pengaruh Harga Minyak Dunia terhadap Indeks Saham syari’ah
   Indonesia ................................................................................................................... 116
3. Pengaruh Indeks Harga Perdagangan Besar terhadap Saham syari’ah
   Indonesia ................................................................................................................... 118
4. Pengaruh Harga Emas terhadap Indeks Saham syari’ah Indonesia dengan Nilai Kurs sebagai variabel moderating .......................................................... 120

5. Pengaruh Harga Minyak Dunia terhadap Indeks Saham syari’ah Indonesia dengan Nilai Kurs sebagai variabel moderating ......................... 122

6. Pengaruh Indeks Harga Perdagangan Besar terhadap Saham syari’ah Indonesia dengan Nilai Kurs sebagai variabel moderating ................. 124

BAB VI PENUTUP .................................................................................................................. 132

A. Kesimpulan......................................................................................................................... 132
B. Implikasi ............................................................................................................................ 134
C. Saran .................................................................................................................................. 135
