Only changes consistent with the journal's style and peer review policies will be implemented; extensive changes after peer review are generally not accepted, and may incur a fee if accepted.

SAGE is committed to supporting the research communities we serve as together we navigate this difficult time, please do let us know if you will struggle to return the proof to me within the timeframe above.

If you have an interest in articles relating to COVID-19 and Coronavirus we have removed the subscription gateway to these articles and created a hub on Social Science Spaces with insights and tips for the researcher community for dealing with the virus and its consequences. We are also fast tracking and publishing open access, without article processing charges, research relevant to the current climate. See SAGE Publishing's official statement on the COVID-19 Pandemic.

Please note that this is your final opportunity to ensure your article's accuracy, and post-publication changes may not be possible, as explained in our [Corrections Policy](#). Please let me know at SAAProd@sagepub.com if you need any further assistance.
