

## CHAPTER V

### CONCLUSION AND SUGGESTION

#### A. Conclusion

Based on research findings, there are 4 types of slangs that used in 15 songs by Ariana Grande's'' in Dangerous Woman'' album. There are imitative, clipping, flippant and fresh and creative slang. In this album there are 29 imitation, 32 clipping, 15 fresh and creative and 3 flippant. So the total of the data are 79 data. Based on the findings, the researcher can conclude that the dominant slang is clipping. For example *'cause*, *'bout*, *feelin'*, *thinkin'*, *somethin'* and *feelin'*.

Clipping types is considered as a new fashion or trend which is used commonly in daily life. Besides use clipping a lot, those three types of slang language are frequently used by Ariana Grande in her song. On the other hand, other types of slang language are less used by Ariana Grande in Dangerous Woman'' album.

Ariana Grande often use slang in her song. She used contemporary words in her song, so many slang words that found. We cannot interpret slang words as what it is because many slang words have more than one definition. So, we have to see the context in interpreting slang language. The slang word has positive and negative meaning depends on the user.

#### B. Suggestion

This research hopefully can increase the writer's knowledge about slang language. Besides that, this research hopefully can increase English Education Department students'

knowledge about slang language. By learning slang language, the writer can understand and know the use of slang language in daily conversation or in informal situation. Moreover, English teacher have to tell the students how to use slang language appropriately. Slang language can help non-native English students to avoid misunderstanding when they communicate with English native speaker.

The researcher hopes that this study can inspire future researcher to conduct further research about slang language used by Ariana Grande song. This study has its limitations. The researcher only select "Dangerous Woman" album in analyze slang word. If the researcher selects more song, more data can be collected that will have further exploration about slang used by Ariana Grande. This study only focuses on the types and the meaning of slang language used by Ariana Grande. Future research may conduct a research on slang language used by other singer to gain more knowledge about slang language.
