DAFTAR ISI ................................................................................ xi
DAFTAR TABEL ........................................................................... xiii
DAFTAR GAMBAR .................................................................... xv
DAFTAR LAMPIRAN ................................................................... xvi
ABSTRAK .................................................................................... xvii

## BAB I PENDAHULUAN

A. Latar Belakang ......................................................................... 1
B. Identifikasi Masalah ................................................................. 13
C. Rumusan Masalah .................................................................... 14
D. Tujuan Penelitian .................................................................... 15
E. Ruang Lingkup dan Batasan Penelitian ..................................... 15
F. Manfaat Penelitian ................................................................. 16
G. Pengetahuan Istilah ............................................................... 18
H. Sistematika Penulisan ............................................................. 21

## BAB II LANDASAN TEORI ......................................................... 23

A. Religiusitas .............................................................................. 23
B. Penghargaan Finansial ............................................................. 27
C. Pengetahuan Akuntansi Syariah ............................................. 29
D. Pertimbanga Pasar Kerja .......................................................... 32
E. Minat ..................................................................................... 34
F. Profesi Akuntan ....................................................................... 36
G. Penelitian Terdahulu ............................................................... 39
H. Kerangka Konseptual ............................................................ 47
**BAB III METODE PENELITIAN** .......................................................... 51
A. Pendekatan dan Jenis Penelitian ............................................................. 51
B. Populasi, Sampling, dan Sampel Penelitian .......................................... 52
C. Sumber Data, Variabel, dan Skala Pengukuran ....................................... 56
D. Teknik Pengumpulan Data dan Instrumen Penelitian ............................... 59
E. Teknik Analisis Data .............................................................................. 62

**BAB IV HASIL PENELITIAN** ............................................................. 69
A. Statistik Deskriptif ................................................................................. 69
B. Uji Kualitas Data .................................................................................... 80
   1. Uji Validitas ......................................................................................... 80
   2. Uji Reliabilitas .................................................................................... 85
C. Uji Asumsi Klasik .................................................................................. 86
   1. Uji Normalitas ...................................................................................... 86
   2. Uji Heterokedastisitas ......................................................................... 88
D. Uji Hipotesis .......................................................................................... 91

**BAB V PEMBAHASAN** ........................................................................ 100
A. Pengaruh Religiusitas Terhadap Minat Mahasiswa Akuntansi Syariah Berkari
   ter Sebagai Akuntan ............................................................................... 100
B. Pengaruh Pengetahuan Akuntansi Syariah Terhadap Minat Mahasiswa
   Akuntansi Syariah Berkari ter Sebagai Akuntan ...................................... 101
C. Pengaruh Penghargaan Finansial Terhadap Minat Mahasiswa Syariah
   Berkari ter Sebagai Akuntan ................................................................... 102
D. Pengaruh Pertimbangan Pasar Kerja Terhadap Minat Mahasiswa
   Akuntansi Syariah Berkari ter Sebagai Akuntan ...................................... 103
E. Pengaruh Religiusitas, Pengetahuan Akuntansi Syariah, Penghargaan
   Finansial, dan Pertimbangan Pasar Kerja Terhadap Minat Mahasiswa
   Akuntansi Syariah Berkari ter Sebagai Akuntan ........................................ 104

**BAB VI PENUTUP** .............................................................................. 107
A. Kesimpulan ........................................................................................... 107
B. Saran ..................................................................................................... 108

**DAFTAR PUSTAKA** ............................................................................. 110

**LAMPIRAN** .......................................................................................... 113
