

CHAPTER V

CONCLUSION AND SUGGESTION

This chapter presents the conclusions drawn from the findings and suggestions.

A. Conclusion

Based on the result of research finding and discussion, the researcher concluded that the students' speaking and their involvement in the class could be improved by using Short Movie. This improvement was showed by the students' test result improvement from preliminary test to Cycle I, and from Cycle I to Cycle II. Their progress can not only be seen from their speaking score, but also from their motivations, cooperation, behavior, and responses during the process of teaching and learning.

Based on students' response, they were interested during teaching and learning process taught by using Short Movie. It makes the students enjoy and comfort to study English. It also helps the students to be more active and creative to construct their ideas, so they could speak freely and easily.

The success of the modified Short Movie in solving students problem in speaking is done with the following procedures :

- a) The students divided into 5 group.
- b) The researcher asked students to watch the movie carefully.
- c) The researcher asked the group to found 10 words from the movie.
- d) Then, the words exchanged to other groups and pronounce it.

- e) After that, every group analyzed the movie.
- f) The students formed a new group without join with previous groups. And they were practice to retell each other.
- g) For the test, the researcher used the retelling story.the students was asked in front of the class individually to retell the movie. For more detailed can be seen in Appendix III.

B. Suggestion

Based on the conclusion of study, the researcher would like to give some suggestions to improve the students' speaking ability by using Short Movie. The suggestions are addresed to English teachers, English students', and the future researcher.

1. To English Teachers

It is suggested for English teachers to apply the Short Movie to improve students' speaking ability. The Short Movie was recomended to be used in teaching and learning speaking because it is successfully solve the students' problem in speaking. The students can enjoy the Short Movie and it minimize the situation in the class not to be boring.

2. The English Students

The students can use the Short Movie by themselves at home or outside the classroom to improve their speaking. because the Short Movie can be got easily and they also imitate the pronunciation from the characters of the Short Movie.

3. The Next Researcher

This study is mainly intended to describe how Short Movie were implemented to solve students' speaking ability of VIII class students of Mts Al- Huda Bandung. The next researchers can test the effectiveness of the use of short movie by conducting an experimental study.
