Ayam potong ‘Pak Impron’ merupakan salah satu pedagang yang menjual ayam potong (broiler) yang masih hidup maupun yang sudah disembelih dan juga melayani pembubutan. Di tengah beredarnya wabah virus corona (Covid-19), penjualan ayam potong mengalami penurunan. Berkurangnya aktivitas masyarakat demi mencegah penyebaran corona ternyata menyebabkan permintaan akan komoditas tersebut semakin menurun bahkan hingga 50%.

Penelitian ini bertujuan untuk mengetahui bagaimana penjualan ayam potong (broiler) Pak Impron dalam menghadapi wabah Covid-19 menurut ekonomi Islam. Jenis penelitian ini yakni studi kasus dengan menggunakan metode penelitian kualitatif. Teknik penelitian yang digunakan adalah dengan wawancara, observasi dan dokumentasi. Serta data yang diperoleh akan dikaji secara mendalam dengan pengecekan keabsahan menggunakan triangulasi data.

Hasil penelitian membuktikan adanya penuruan penjualan bersih yang didapat Penjualan Ayam Potong “Pak Impron” saat wabah Covid-19. Pada Bulan Januari ia bisa mengantongi omset sekitar Rp 3.100.000, sedangkan untuk Bulan Februari sudah mulai mengalami penurunan omset sekitar Rp 2.150.000. Pada Bulan Maret sudah mengalami penurunan yang cukup drastis, yakni dengan omset sekitar Rp 1.550.000. Terjadinya penurunan harga selama wabah Covid-19 juga mengalami penurunan pembelian produk. Meskipun terjadi penurunan penjualan, penjual tetap mengadakan pertukaran melalui perdagangan yang sesuai kaidah Islam yang telah ditetapkan oleh Allah. Aktivitas perdagangan yang dilakukan sesuai dengan ketentuan-ketentuan yang digariskan oleh agama mempunyai nilai ibadah.
