

## CHAPTER VI

### CONCLUSION AND SUGGESTION

This chapter presents conclusion and suggestion of the research. Conclusion is summarize the result of the discussion based on the research problems. So, it summarize about the teaching strategies used in teaching English, the teachers' reasons, and the students' response toward the teaching strategies. While, the suggestion is the researcher recommendation based on the result of the research for having better result in teaching and learning English.

#### A. Conclusion

From the result of the research that has been discussed in chapter IV, the researcher can conclude that :

This research shows that in teaching English the teacher uses various teaching strategies they are : Listen and repeat, Listen and act, Question and answer, Subtitutions, Listen and identify, See differences, In-pair, Coperative learning, Outdoor activity. Based on this research, those strategies are effective in teaching English because it can help studens to develop their English skills. In short, those strategies give good contribution for teacher. Students who have difficulties in English will be easier in mastering English. By using these strategies, the teacher more easily gives the material to the students.

In addition, some of the students perceive toward the teaching strategies. Their perceiving are : the strategies can develop students' interest, enjoyment and motivate students to become actively involved in lessons, to nurture insights by exposing new relationships, to assess achievement of instructional goals and objectives, to stimulate students to pursue knowledge on their own ability.

### **B. Suggestion**

Based on the conclusion above, the researcher would like to offer some suggestions which are presented for :

1. For the English teacher
  - a. The teacher should use more creative strategies to make the learning process effective and efficient.
  - b. The teacher has to control the learning process well in order to investigate the students' problem in learning English.
  - c. The teacher should provide various teaching media to teach English in certain materials.
2. For the future researcher
  - a. The researcher expects the next researcher to prepare the research's needs; before and during conducting the research.
  - b. The reasearcher has to know the research's subject-matter deeply especially in teaching English to young learners.
