## DEDICATION

With the name of Allah, the Most Gracious and the Most Merciful, I begin this dedication. Nothing in this journey would have been possible without His guidance, strength, and countless blessings both the ones I prayed for and the ones I didn't even realize I needed. This thesis stands as a humble result of the process He allowed me to walk through, step by step.

With all my heart, I dedicate this thesis to:

1. My beloved mother, Binti Hariyah, whose gentle words and never-ending prayers have wrapped me in comfort even when miles apart. Your kindness is the strength that holds me steady.
2. My father, Kuswandi, whose patience and silent sacrifices have taught me what it means to work hard with integrity. Thank you for believing in me when I couldn't see the finish line.
3. Nanda, Hyacintha, and Risma, my dear friends who have become family. Thank you for the laughter, late-night talks, and unwavering encouragement. Your friendship has been one of the brightest parts of this chapter.
4. To those who shared stories, coffee, and quiet support when words failed, your presence was a shelter in the midst of chaos. You might not realize it, but your companionship meant everything.
5. To the journey itself, with all its twists and turns, frustrations, and unexpected joys, thank you for shaping me into someone stronger, more grateful, and more grounded.
6. To everyone who cheered me on, even from afar, whether through a kind message, a shared meal, or silent prayer—this work is as much yours as it is mine.
7. To myself, Ririn Puspita Sari, thank you for not giving up. Thank you for showing up even on the hardest days. For embracing the tears, the doubts, and the small wins. This achievement is also yours, fully, truly, and honestly.

## ACKNOWLEDGEMENT

Bismillahirrahmanirrahim, Alhamdulillahirabbil ‘alamin, In the name of Allah SWT, the Most Gracious and the Most Merciful. All praises be to Allah SWT who has generously granted the writer strength, patience, and guidance throughout the process of writing this thesis.
