DEDICATION SHEET

With all gratitude my heart can hold, I lovingly dedicate this thesis to:

1. Allah SWT, who has allowed me to breathe, grow, and persist through every trial, and the Prophet Muhammad SAW, my role model in faith, patience, and purpose—may peace and blessings always be upon him.
2. Myself, for never giving up, even when the days were heavy and the nights were long. For every tear, every doubt, and every small victory along the way—thank you for holding on and believing in the dream.
3. My beloved parents, the pillars of my strength, whose prayers lifted me in silence and whose love gave me courage. No words can ever repay the sacrifices you've made, but may this small achievement reflect a fragment of my endless gratitude.
4. My dearest family, for surrounding me with love, laughter, and unwavering encouragement. Each of you has helped shape the person I've become, and for that, I am forever grateful.
5. My respected thesis advisor, Dr. Arina Shofiya, M.Pd., whose guidance, patience, and sincere dedication have shaped this thesis and my character. Your words, support, and belief in me have left an indelible mark on both my academic and personal journey. Thank you for being a light in times of confusion.
6. My best friends, Zahra, Arini, and Angel, who stood beside me when I was weary, who celebrated my small wins, and who reminded me of my worth when I had forgotten it. Thank you for your unwavering presence and kindness through the highs and lows.

This thesis is not just a culmination of study, but a reflection of love, support, and unwavering faith. May it be a quiet tribute to all who walked this road with me.
