DEDICATION SHEET

This thesis is wholeheartedly dedicated to:

1. My Wonderful God, Allah SWT, I am deeply grateful for every blessing You have given me. Thank you for your constant guidance and strength throughout this journey. Without Your mercy, none of this would have been possible.
2. My dearest parents, Bapak Saipanudin and Ibu Yulia Sulami, thank you for your endless prayers, unconditional love, and constant support. Although you never had the chance to pursue higher education, you always put your children's education and happiness first. You have taught me what it means to be strong, responsible, and independent. I hope this thesis makes you proud, as your last daughter to earn a bachelor's degree, just as you dreamed. May Allah SWT bless you with long life, good health, and the chance to witness more of my achievements.
3. My beloved brother, Endra Wirawan, thank you for your support and motivation. Your presence always gave me the strength to keep going. Moreover, thank you so much for your motivation and encouragement. Moreover, thank you for being the biggest donor to my studies, enabling me to continue until graduation. May you always be healthy and happy. May God reward you for all your kindness
4. And to myself, thank you for fighting and not giving up, even though many things made me want to give up, but you chose to persevere and weather all the storms.
