

## CHAPTER V

### CONCLUSION AND SUGGESTION

Based on the findings presented in previous chapter, in this chapter presents the conclusion and suggestion to the further research.

#### A. Conclusion

This study investigated the effectiveness of Edmodo on students' writing ability of recount text at second grade in SMPN 1 Sumbergempol. Using Edmodo in teaching writing is successfully. Using Edmodo is helping the teacher to facilitate the students to be easier to express the ideas that want to write. In addition, teaching with Edmodo help students to can connect with other friends or the teacher. In anywhere students can learn about writing not only in the classroom.

The result of this study showed that Edmodo make students better in writing ability and students more active to interact with other friends. It can conclude that Edmodo is effective on students' writing ability of recount text.

Finally, the result of Paired Sample T-test, show that Sig. (2-tailed) was less than 0.05 ( $0.00 < 0.05$ ). It means that the null hypothesis ( $H_0$ ) is rejected and then the Alternative Hypothesis ( $H_a$ ) is accepted. It was confirmed that Edmodo has a significant effect on the students' writing ability of recount text at second grade in SMPN 1 Sumbergempol.

**B. Suggestion**

Considering the result of this study, the researcher would like to give some suggestion, they are as follows:

For students, to improve writing ability the students must learn about some process of good writing and develop their knowledge. The researcher suggests to the students for using Edmodo to improve their writing ability because in this study by using Edmodo students can develop their ideas into good writing.

For English teacher, using Edmodo in teaching and learning process can help students to get and express their ideas easily. Moreover, using Edmodo students can submit their works, sharing knowledge and get feedback from the teacher. It is a modern strategy to change old strategy which can interest, motivation and idea students.

Edmodo is used to teaching writing as media. The research hopes to the next researcher that use of Edmodo are effective in teaching and learning process. Using Edmodo can improve students' writing ability. Because, when students connect with teacher by Edmodo they felt free and enjoy to share or express their ideas. The researcher hoped for next researcher can be investigate the effectiveness of Edmodo on other language skill.
