DEDICATION

There are some great people making the researcher keep motivation to study, finish task, and completed this final project. The researcher thank you to all of supports and payers that the best for his the make journey meaningful. The researcher enjoy these days a lot because of them. Those people are:

1. Allah SWT, who has provided ease and assistance so that the author can complete this thesis well.
2. I wanna thank me, I wanna thank me for believing in me, I wanna thank me for doing all this hard work, I wanna thank me for having no days off, I wanna thank me for never quitting, I wanna thank me for always being a giver and tryna give more than I receive, I wanna thank me for tryna do more right than wrong, I wanna thank me for just being me at all times.
3. Especially for my beloved parents, my best support system, my role models, and my first loves. My father Miftahul Ghofir and my mother Nur Hasanah. thank you for your relentless efforts to secure the best possible life for the author, sacrificing sweat, energy, financial resources and thought. Thank you for providing for all the writer's needs, educating, guiding, always giving sincere love, and never tiring of offering advice, support, and motivation until the writer was able to complete their studies to this point, as you had envisioned. Thank you for your unceasing.
4. and to my beloved younger siblings, Fera Tsaniah Adzakiyah and Muhammad Zulfan Natiq, who have always provided support and comfort and encouraged me to complete this thesis.
5. I'd also like to thank my extended family, who have always been there for me with their prayers, support, and unwavering love. Thank you for being my safe haven, my source of strength, and the reason I've kept

fighting to get to this point. May all the kindness and sacrifices you've made be rewarded in the best possible way.

6. Adela Novia Ramadhani, with sincere kindness, served as a source of encouragement, emotional support, and a confidante throughout the process of writing this thesis. Her presence and support whether in the form of motivation or understanding were invaluable in helping the author overcome various academic challenges and pressures until this thesis could be completed.
7. The Koramil crew who have been by my side from the first through the eighth semester, through thick and thin. They've been a source of comfort when I've been troubled and a listening ear when times were tough. Thank you for always being there, listening to my complaints, cheering me on when I was tired, and celebrating every small achievement together. Without your support, prayers, and companionship, this college journey would certainly have felt much harder.
8. To my five friends from school who have always offered their prayers, support, and encouragement throughout my journey. Thank you for the friendship, camaraderie, and beautiful memories we've shared over the years. May our friendship last forever and always be filled with happiness and success.
9. To my classmates throughout our time in college (TBI CHEERS), thank you for the stories, laughter, struggles, and camaraderie we've shared together. Thank you for being study partners, discussion partners, and for supporting one another as we tackled various challenges during our time in college. May all the efforts we've made serve as steps toward the best possible future, and may our bonds of friendship remain strong.
